

For women let down by the system.

For women with nowhere else to turn.

For women who've suffered.

Fundraising Events Volunteer

From our Birmingham centre, Anawim provides trauma informed services including holistic support and advocacy to enable women to reach their potential.

Our Vision:

A world where women are safe, free, valued and equal members of society.

Our Values:

*Anawim believes in the intrinsic **value** of every person and **welcomes** each woman **without judgement***

*We are deeply committed to **listening** to our women and building services around their **needs***

*We **help** women to navigate the complex challenges they are facing and we do all that we can to **support** them for as long as they need us*

*Anawim **empowers** women to make positive changes to turn their lives around, helping them, one step at a time – to become **independent***

*We **want the best** for our women and to make sure their basic needs are met. We **won't rest** until we've done all we can to keep them **safe**.*

Roles and Responsibilities:

You will be supporting the Fundraising and Communications team, with events in the community. The work is expected to be ad-hoc and will involve evening and weekend work. We would expect the following to be involved:

- An awareness of Anawim's work, vision and mission, and willingness to learn and talk about it to many differing audiences.
- To support Anawim staff at community events, working on stalls, guiding people and talking to members of the general public.
- Support at conferences and roadshows.
- Aid in the planning, coordination, and execution of fundraising events.
- Assist with logistical tasks such as venue selection, catering, and coordination of volunteers.
- Work closely with the team to ensure events run smoothly and achieve fundraising goals.
- To suggest ideas to increase engagement with Anawim at community events and to proactively contribute to our presence.

If there are other areas of events that you have experience with – or would like to gain experience in – that are not mentioned above, please specify on your application form.

- We will ask you to log your hours, and that you can commit to a regular check in with our Fundraising and Communications team.

For women let down by the system.

For women with nowhere else to turn.

For women who've suffered.

We ask for **at least six months'** commitment in order to benefit from the training, gain knowledge of your role, and crucially, to enable you to build working relationships with the women.

We offer regular check ins to support your development and ensure you are achieving your reasons for volunteering and supporting us, and if required we supply references.
